S git commit -a

[html-assignments dafa303] fourth commit

Committer: Vedhavathi <deekonda.vedhavathi@capgemini.com>

Your name and email address were configured automatically based
on your username and hostname. Please check that they are accurate.
You can suppress this message by setting them explicitly:

git config --global user.name "Your Name"

git config --global user.email you@example.com

After doing this, you may fix the identity used for this commit with:

git commit --amend --reset-author

1 file changed, 6 insertions(+)

dvedhava@LIN65005894 MINGW64 ~/project_dir/assignments (html-assignments)

S git switch master

Switched to branch 'master'

dvedhava@LIN65005894 MINGW64 ~/project_dir/assignments (master)

S git merge html-assignments

Merge made by the 'ort' strategy.

dvedhava@LIN65005894 MINGW64 ~/project_dir/assignments (master)

S git branch -d html-assignments

Deleted branch html-assignments (was dafa303).

dvedhava@LIN65005894 MINGW64 ~/project_dir/assignments (master)
